COMPANY PROFILE

Ever since its inception in 2007, Creative Solutions engaged in manufacturing of top class office furniture. Despite the short span of time since we have started our operations, we have got some large corporations both local and international on our clientele list. We provide state of art interior design, furniture and turnkey solution services and tackle each project with an aim to add artistic value to a space while enhancing its functionality so that the end result turns out to be a contented experience to our clients. Our team has extensive experience in design, supervision and management of medium-scale projects. As a dedicated group of professionals, we have a long-term arrangement with professional firms for better coordination and convenience of clients. We believe in evolving our design aesthetics in order to meet the customers requirements with the changing style/season/fashion.

OUR CORE VALUES

- We believe in creating office that represents modern work environment and life styles.
- We never compromise on quality craftsmanship and the date of completion.
- Our skilled labor is trained to conduct its work, without causing any sort of disturbance or inconvenience to the surrounding are and people.
- We try our best to understand our clients vision and make his dream come true.
